make / sense THEATRE

During National Careers week

The Make Sense Theatre group delivered a 7 Sense Wild West themed show for the pupils in Barn Owl, Dove & Swan Classes.

7 Sense is unique theatre designed specifically for audiences with profound, multiple and complex learning disabilities. Engaging all seven senses – sight, hearing, smell, taste, touch, vestibular and proprioception – participants are invited to immerse themselves in a creative experience, and find meaning within it, in their own unique sensory way.

During the holidays interview your Parents or Carers !

What was your favourite subject in school ?

If you could go back in time, what new career would you choose and why?

Supposing you became famous, what would you like to be famous for ?

What type of job do you think will still be advertised in 20 years time?

What skill or hobby would you like to learn?

Make up 2 or more questions of your own, **good luck!**

If you are in year 11 or above and interest in independent work experience at Tesco please let me know
