### Boost

A course that will guide and support young people to understand their strengths, motivating them to take their next steps towards their future career. Small group delivery, confidence building sessions.

### Achieve Programme

This programme is specifically for young people with an EHCP. The course teaches life skills to support young people to live independently. There is a focus on practical life experiences such as cooking, planning and booking trips, embedded Maths and English.

### Supported Internships

A supported internship is a college course mainly carried out in the work place, where you will learn new skills which will help you find a job and find out what it takes to be a good employee.

### Supported Employment

Help with CVs and completing application forms, applying for jobs and support at interviews. In-work support for you and your employer. Open to ages 18-24 claiming Jobcentre benefits.

### Career and Job Advice

- Impartial career advice
- Career planning
- Advocacy
- Education options
- Apprenticeships
- Job searching
- Access to career digital tools
