

The Avenue Newsletter

Keeping you up to date with what's going on... w/e 5.05.2023

Head teacher's message

Dear all,

Whether you are a royalist or not, there is much to look forward to this weekend. There is rare and great opportunity to get together with your local community, family and friends, and enjoy the extended weekend. Whether that be as part of a street party or a chat about a piece of history this weekend. I have shared my love of being part of a community here at The Avenue School many times. Feeling part of a collective is rewarding in so many ways. I feel that there is a wonderful sense of 'stronger together', that I would encourage you all to be part of this weekend if the opportunity is there. All we need now is a little spring sunshine. I hope you have fun. Best wishes, Symon.

Beard Art Competition

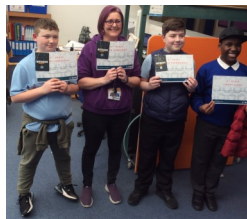

To celebrate the end of the building works at The Avenue, Beard (the builders) have organised an art competition for Raven, Linnet, Dunnock and Harrier class. Students were asked to draw their version of "what a builder is". Here are the winners!

1st place: Lucas—Harrier,

2nd place: Erin- Raven

Joint 3rd: Stefan—Dunnock

Joint 3rd: Linnet class

Sixth Form

Sixth Form Green Tutor group enjoyed a trip to Lego Land. They had a great time exploring the park and going on rides.

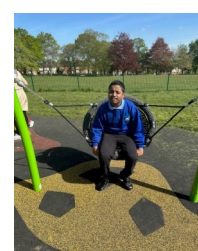

Cookery

Charlie A (6th form) and James (Raven Class) participated in a Cookery enrichment activity on Wednesday and made paella, using fresh chicken, prawns and chorizo. The boys followed a picture recipe and shared their finished dish with people who help them in school. Well done to both Charlie and James for preparing such a complex dish safely and successfully. With the warm sunny weather on Wednesday and the smell of our spicy paella, members of the school community couldn't help but feel some Spanish holiday vibes!

Swan Class

Swan Class enjoyed a trip to Prospect Park where we all really enjoyed going on the swings. Insaf got off the bus for the first time since being in Swan. Amazing achievement 😊
