Head teacher's message

Dear all,

This week I'm going to share an image that I have been meaning to share for a couple of weeks. For those that haven't seen this on the news, this is Kevin Sinfield (ex rugby league player) carrying his former team mate and best friend Rob Burrow, who is battling motor neuron disease, over the finish line of this month's Leeds Marathon. A picture says a thousand words

I hope everyone has a wonderful half term break.

My very best wishes, Symon

Swift Class

This term Swift Class have been visiting the new playground at Prospect Park. We have enjoyed exploring the different pieces of equipment and the swings have been a favourite for everyone!

Eco School

As part of our Eco School Committee, we have teamed up with Blundells Copse, a woodland area close to our school. We have taken a team of very enthusiastic students to help clear the area of rubbish, as you can see from the full bags the students from Raven Class have done an amazing job.

Hay fever

It's that time of year again. If your child suffers with hay fever, please administer their usual anti-histamine each morning before school. If you are unsure of which anti-histamine to use, ask advice from your GP or pharmacist.

Let's get ready for summer

It is important to keep our young people safe and comfortable during the hotter weather.

Summer check list for school:

- * Hay fever medication given before school
- * Apply sun screen before school (SPF 30 or higher)
- * Sun hat / sunglasses in bag
- * Water bottle

Look, Draw, Build

On Wednesday we had the final part of our Look, Draw, Build program. The students involved were tasked with building their own train station, using ideas they got from our station visit and the plans they had designed. In total 4 stations were made and Symon was given the hard task of selecting one of them to be submitted into an interschool competition. The successful students are pictured with their model, well done to Angus, Jack and Stefan from Dunnock class. We will keep you posted with how they get on. A huge well done to all students that took part.

Magpie Class

Last week, Magpie Class had a successful trip to McDonalds.

Key dates

Half term

29th May
2nd June

Leavers Prom

Friday 7th
July 6:30-
8:30pm

Leavers Assembly

Fri 14 July
