Head teacher's message

Dear all,

As I reflect at the end a very long term, it is noticeable that we are a school that never stands still. Daily, we all give 100% and allow our curiosity to drive our learning and willingness to take on the challenge. It has been great to welcome so many new pupils and their families to the school this term. It really does feel as though you have been with us much longer than one term. It has been so pleasing to see so many of you come and join us for our Christmas celebrations. Thank you so much for your support, it really does make a difference.

I think that everyone; staff, pupils and parents, deserve an enormous well done!

Have a wonderful festive time.

My very best wishes,

Symon.
