

September 2025 Newsletter

Welcome back to what seems to be a busy year, there is so much happening and we can't wait to share all our exciting news with you

Prospect Park Play Rangers

Corey from 6th form has had a great start to his work experience at Prospect Park Play Rangers, he is learning new things and learning to be independent with his work. Corey has a list of tasks to complete while he is there but he has the flexibility to choose when he does them, this will give him a good start at working to deadlines and prioritising work; a very valuable skill to learn

Cats Protection Charity Shop

Josh from 6th form has made an amazing start to his work experience at The Cats Protection charity shop. He went in, introduced himself, shook hands and made a great first impression. Josh has been hanging clothes on the correct hanger, steaming the clothes to make them look presentable to go to shop floor and then he puts them on the racks in the store. Josh has taken this experience on with such enthusiasm and in a professional manner. I am sure Josh will gain so much from this experience.

£30 Enterprise challenge

Each yellow pathway class are being set a challenge. They are going to get given £30 per class to set up their own enterprise. The aim of the game is to turn £30 into a much bigger amount; I wonder what exciting enterprises will be created and how much profit can be made. We wish you all luck, dream big. The challenge is on!!

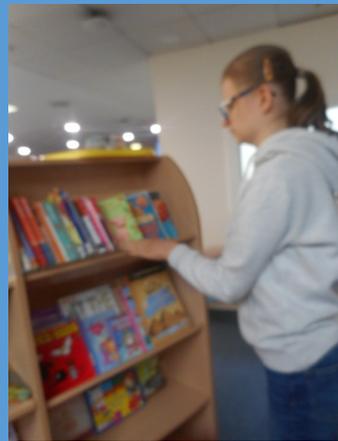

The Thoughtful Bubble Company

A group of 4 students have started Enterprise as their choice of options and begun working for The Thoughtful Bubble Company. This is a very exciting time as we are starting to look at our Christmas range of soaps (sorry I did use the C word). Some very festive smells and designs will be available to order very soon so watch this space. The students have been very focused and productive so I have no doubt our range will be amazing. They are learning how a business works and how to make it successful, some budding entrepreneurs in the making. Well done and keep up the good work.

Job Squad

3 students from 6th form have started to form our 'Job Squad' they are helping to make a difference in our school. Amily is our library assistant, she tidies the books and makes sure our library is tidy. Tyler is currently sorting out the photocopying room, he has tidied up all the paper and is now working through all the folders to make sure they are not damaged and sorting and labelling the shelves. Owen's job is to help with our very large pre-loved uniform stock; it is a huge job. If anyone requires uniform please let us know and we can have a look to see if we have the sizes you require, please email myself on laspell@avenue.reading.sch.uk

SHOUT OUT!!! If you know of anyone that would be willing to give a student an opportunity of work experience please contact me laspell@avenue.reading.sch.uk
