APPLE STORE

Dunnock class had a fantastic time at Apple store last term, they had 6 visits and they tried new things at each visit. They made some great creations using various programs on the iPad. Dunnock class had the best time and learnt so much.

We have Raven class attending next term and I'm sure they will have just as much fun.

THE THOUGHTFUL BUBBLE COMPANY

This term the yellow pathway options group have been very busy in The Thought Bubble Company. They made some lovely new shaped soaps, including flowers, teddy bears and hearts; they have also been experimenting with soap on a rope and they have turned out really well. On the last day before half term, the students used their selling techniques to take the soaps around the school and sell to the staff; they were promoting the heart soaps for Valentines Day and the flowers for Mothers Day; they done really well and sold lots of soap. We are now working on promotional posters to display around school.

Just a reminder that you can order soaps at any time by contacting Louise at laspell@avenue.reading.sch.uk

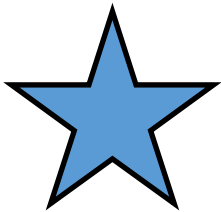

NATIONAL CAREERS WEEK

As part of National Careers Week, the senior leadership team held mock interviews with some of the yellow pathway students. They were asked questions about;

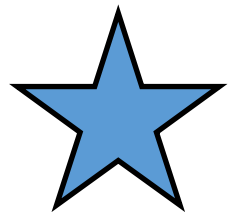

- what they enjoy doing in and out of school
- their skills and what they are good at
- where they see their self in the future
- what job they would like to try for a day
- what they would like to do independently in the future and what they would like to change about the school and why

The students gave some really good answers and showed that they are getting ready to prepare themselves for adulthood. The process was beneficial to both student and staff as it has given us a good picture of how we can help them on their adulthood pathway. A very successful activity
