THINK
BIG!

ASPIRE TO BE

On 12th June we held the first part of our Aspire 2 Be event, during the first session we watched a video about inspirations and spoke about the students own inspirations. They wrote their inspirations on a leaf, a tree is being painted on the wall in the reception area and the leaves will form part of the tree; this will be "Our Inspiration Tree"

On 3rd July part 2 took place, this was a cross phase project where students from yellow pathway and 6th from got to work together. Some were tasked with building a bird house, they had 4 in a group and each had their own role to play. We had a supplier, an engineer and 2 builders, they had to communicate with each other to ensure that each person could do their role effectively. Some lovely bird houses were built, in the afternoon they decorated them and they look amazing!!

The others were to design their own product, in each group there was a managing director, a financial director, a pitcher, a product designer and an advertiser. They had the morning to come up with their product then in the afternoon they had to face the dragons and pitch their product!!! One group wanted to build a wheelchair wash, which is an excellent idea but something that may need a 'bit of support'. Another group designed a hat and called it Dragonic, which stands for

Determination, Resilience, Armour, Glorious, Opportunites, Nation, Integrity, Confidence. This is such a motivational design

All the students worked really hard and came up with some really great ideas, I feel we have a few entrepreneurs amongst us

THE THOUGHTFUL BUBBLE COMPANY

On 15th June we took 3 students to The Civic offices in Reading where a Foster careers conference was taking place. We were invited to set up a stall to sell products from The Thoughtful Bubble Company, this was a huge success and the 3 students from Dunnock class were amazing, they took part in all aspects, including setting up, selling, talking to customers, taking payments by card and cash and clearing away. They represented the school in the best possible way, they were FAB!!!!

Big shout out to Puneet, she was out in the corridor making sure our stall wasn't missed and ushering people in to buy. Such a great team and we sold over £100 worth of stock, which is INCREDIBLE in an hour!!! 😊
