

This story is about

Pandemics and Coronavirus .

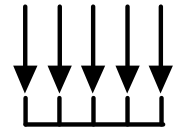

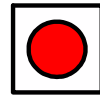

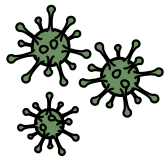

A Pandemic is when many

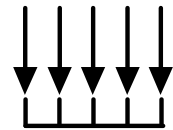

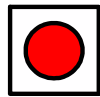

people become

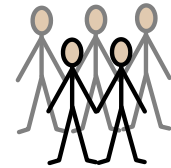

ill .

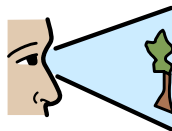

The Coronavirus is in every

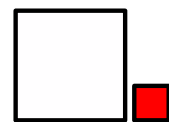

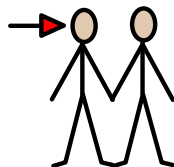

town in the UK and every

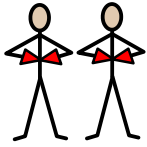

country in the world . People

can not see the coronavirus

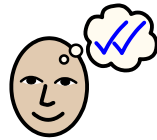

if it is near them as it is small

We

are all

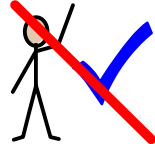

clever

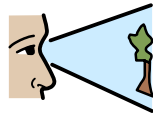

and even though

I

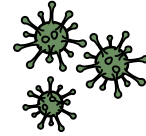

can not

see

the

Coronavirus

I

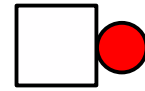

know

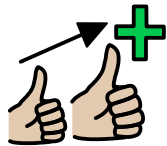

what to

do

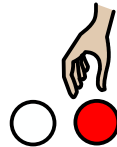

by

using

healthy

choices

, this will

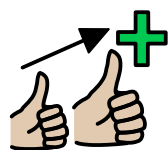

help

keep

me

healthy

and

safe

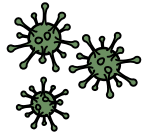

during

the

the

Pandemic

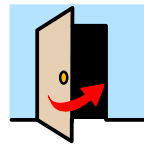

The coronavirus has been travelling

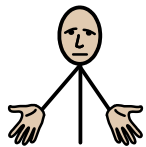

fast from one person to

another person .

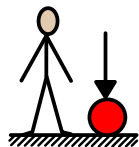

This is why school is closed and I

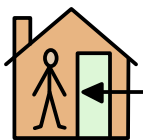

need

to

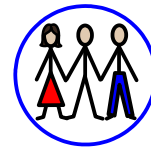

stay

indoors

with my

family .

To  stay  Safe during the  Pandemic we  need to remember 

to :-

 Wash our hands  often ,  adults will  remind  me

 
No school

 
No Cinema

 
No Park

  to  seeing my friends

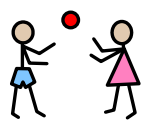

What

I

can

do during the

Pandemic

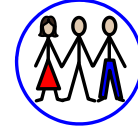

I can

play

in

the

garden

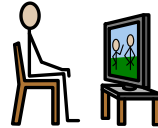

I can

play games

with

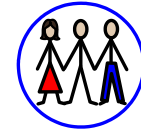

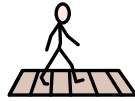

my

family

I can

watch tv

I can

go

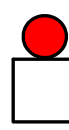

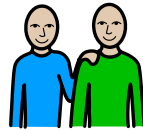

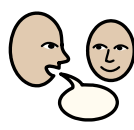

for a

walk

with

my

family

I can

talk to

my

friends

on

my

phone

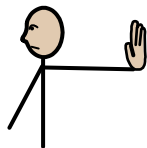

During a pandemic I will not

go on holiday, this is because it will

be in a crowded town countries.

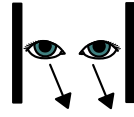

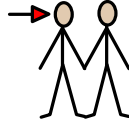

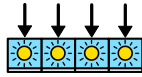

I must stay away from crowds in

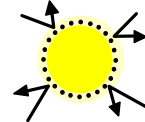

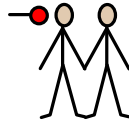

a Pandemic

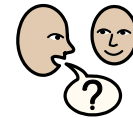

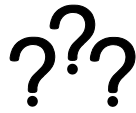

My parents are learning about the coronavirus

everyday , they watch the news .

My parents are their to protect me and

answer any questions I want to ask.

My Family will help me through this

Pandemic
