

Coronavirus is still in the uk and around the

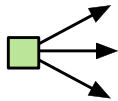

world , this means that my school will be closed

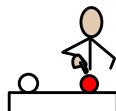

for 7 weeks .

The school is closed to stop the virus from

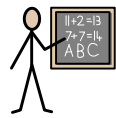

spreading between people and making them ill

This is ok

My

teacher

will send

work

for

me

to

do

at

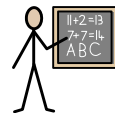

home

and

my

teacher

will speak

to

my

parents

/

carers

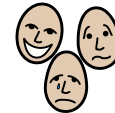

to see

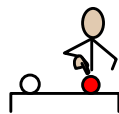

how

I

am

This

is

ok

I

will need to

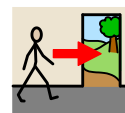

stay

at

home

and only

leave

the

house

to go

for a

walk

with

my

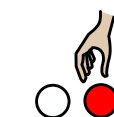

family

This is a

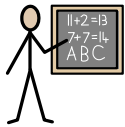

good

choice

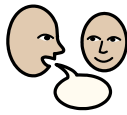

My

teacher

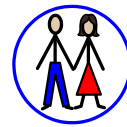

will

tell

my

parents

/

carers

when

I

can

return to

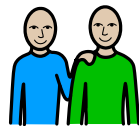

school

and be with

my

friends

.
