Supporting the Journey to Employment

SUPPORTED INTERNSHIPS

What is a Supported Internship?

A supported internship is a college course mainly carried out in the work place where you will learn new skills which will help you find a job and find out what it takes to be a good employee.

Why do an Internship?

- You will learn the skills an employer is looking for
- You will have support in the work place from qualified Job Coaches
- It will help you become more independent
- It will give you the chance to try different jobs
- A Job Coach will support you to try & find paid work after the Internship ends

How does an Internship work?

- You will be in education, enrolled at college or school
- It starts in September and ends in July
- You will spend 3 or 4 days a week at work & 1 or 2 days at college/school
- The work placement is unpaid but the aim is to improve your chances of getting paid work

Who can apply?

- You will have special educational needs & an Educational Health & Care Plan
- You need to be 16 to 24 years old (minimum age 18 at the Hospitals)
- You will be motivated to work and become more independent

Where are the Internships based?

Currently in 8 locations but more are being set up ready for September 2020:

- Royal Berkshire Hospital in Reading
- Working for Sodexo at the Johnson & Johnson sites in High Wycombe or Pinewood
- Wexham Park Hospital near Slough
- Winnersh at National Grid
- For Wokingham Local Authority in Wokingham or at Dinton Pastures
- In Maidenhead

What kind of placements are there?

Turn over the page to read about the sort of job rotations there are at each site but remember we are setting more placements up in different locations.
