

# 2020/21 VIRTUAL ART COMPETITION

Art For Research Reading gives children and young people (4-14 years) the opportunity to participate in an annual art competition while raising money for Cancer Research UK's Children and Young People Campaign.

Artwork this year should be inspired by the theme of **The Environment**.

Entrants get the chance to have their work reviewed by an expert panel of judges. So get creative!

Competition Closing date is 26 April 2021.

The competition will be all online, with entries submitted to our Facebook page or email. You will need to send us a photograph of your work along with your full name, school and year group.
