New Skills & Employment Youth Hub opens

A new one-stop shop for young people looking for employment, education or training has opened in Reading town centre.

The Skills and Employment Youth Hub will be operated by Brighter Futures for Children's Elevate careers service in partnership with Job Centre Plus

Young people aged 16-25 will have access to a wide range of services in the hub, including: advice on the academic and vocational opportunities available; first-hand experience of work places through the DWP Kick Start scheme; training sessions from local partners and employers; access to digital technology within the hub; resources to help with career planning; training on CV building, interview preparation and communication skills and drop-in support from health practitioners.
